

RAOA has changed its name....

We are now the **Richmond Property Owners Association (RPOA)**!

To go along with the recent name change, RPOA hosted a logo contest. The logo contest was open to college students with a \$500 prize! Participants were urged to create a logo that was professional and promoted the mission on the association.

The winner of the logo contest is **Michael Helfert from John Tyler Community College**! See the logo he designed below.

We are in the process of rebranding. A new website will follow shortly.

Thank you to Michael and all those who submitted logos. Your participation is greatly appreciated.
